**NEWCOMER RESOURCES**

LSC has created resources available to libraries to help support local arrivals. A specialized collection list called Welcome to Canada Suggestions has been created for libraries, as well as three gift sets of 8-10 titles for adult and children costing \$100 each.

The Welcome to Canada Suggestions list is comprised of titles suitable for assisting newcomers of all ages to learn English and about Canada. Arabic and bilingual Arabic/English selection lists are also available.

**Libraries do not have to be LSC clients to view the lists, and they may be downloaded to use as a resource for ordering from your preferred vendor.**

Three Newcomer Gift Selection sets have been arranged; two juvenile and one adult with 8-10 titles in each at a cost of \$100 per set. These collections provide an opportunity for the library to welcome newcomers to the community with useful resources for the home, facts about Canada, and available facilities and services at their public library by adding local information and library membership applications.

Any materials may be ordered in the normal manner by LSC clients. For non-LSC clients, please contact our Customer Service Department at [CustomerServiceDepartment@lsc.on.ca](mailto:CustomerServiceDepartment@lsc.on.ca) or phone 1-800-265-3360.

✓ Assistance is also available through the Customer Service Department.

The Welcome to Canada Suggestions list and the Newcomer Gift Selection sets provide possibilities for libraries to strengthen ties within their community and involve local participants in a welcoming program. They also provide valuable information and resources for newcomers to feel knowledgeable about and welcome to their new community.
